**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 C.F.R. § 1.181 and 1.8(b)**

It is respectfully requested that the holding of abandonment be withdrawn for the above-captioned application. The application was abandoned by the USPTO for Applicant's alleged failure to respond to the Notification of Missing Requirements dated September 16, 2005. The Applicant contends that a response was timely filed.

The facts relating to the abandonment of this application are as follows:

1. On September 16, 2005, the USPTO issued a Notification of Missing Requirements requiring an oath or declaration in compliance with 37 CFR 1.497 and the payment of a late oath or declaration surcharge.

2. On September 28, 2005, the Applicant filed a response to the notification and included an executed declaration and authorization to charge our deposit account for payment of the late surcharge. The USPTO received this submission on September 28, 2005. A copy of the Received Submission, as filed, and the printout from Applicant's fax machine showing that the fax was properly transmitted are enclosed herewith as Exhibit A.

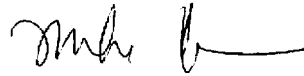

3. On August 4, 2006, a Notification of Abandonment was issued by the USPTO for Applicant's failure to respond to the Notification of Missing Requirements of September 16, 2005.

The Applicants respectfully submit, therefore, that a response to the Notification of Missing Requirements was timely filed and accepted by the USPTO.

The Applicants respectfully submit that this petition has been timely filed, and the evidence presented herewith is sufficient for the petition to be granted and for the holding of abandonment to be withdrawn.

The undersigned Petitioner has personal knowledge of the facts alleged.

Respectfully submitted,

Michael Cameron
